SECTION SF 1449 - CONTINUATION SHEET

The following have been added by full text:

QUESTIONS AN ANSWERS

p. 29 - 8 projects are mentioned, but 7 are listed, however project E0096 has two parts. Is a project missing, or does each part of E0096 count as a distinct project?

One of the projects (E0096) has two parts (A and B). Even though the projects are similar, they are considered to be separate because they are two distinct issues. So, yes, project E0096 has two distinct projects.

p. 31 – See the following paragraph: “5. Contractor will be required to execute the attached SCIP External Developer Memorandum of Agreement with the SCIP Program manager within 10 days of contract award.” No SCIP External Developer Memorandum of Agreement is attached.

The informaton regarding an attached SCIP External Developer Memorandum of Agreement will be deleted under section 5.1 of the PWS.

Are the survey forms, once submitted to DSCA, the only information needed for past performance? Is an additional form describing the projects needed?

For Past Performance information please see 52.212-1 Instructions to Offerors and 52.212-2 Factor 1. Past Performance. Also, the questionnaire form is at the end of the solicitation.
